Pos. 5 wird beigelegt.

## 90.18.865

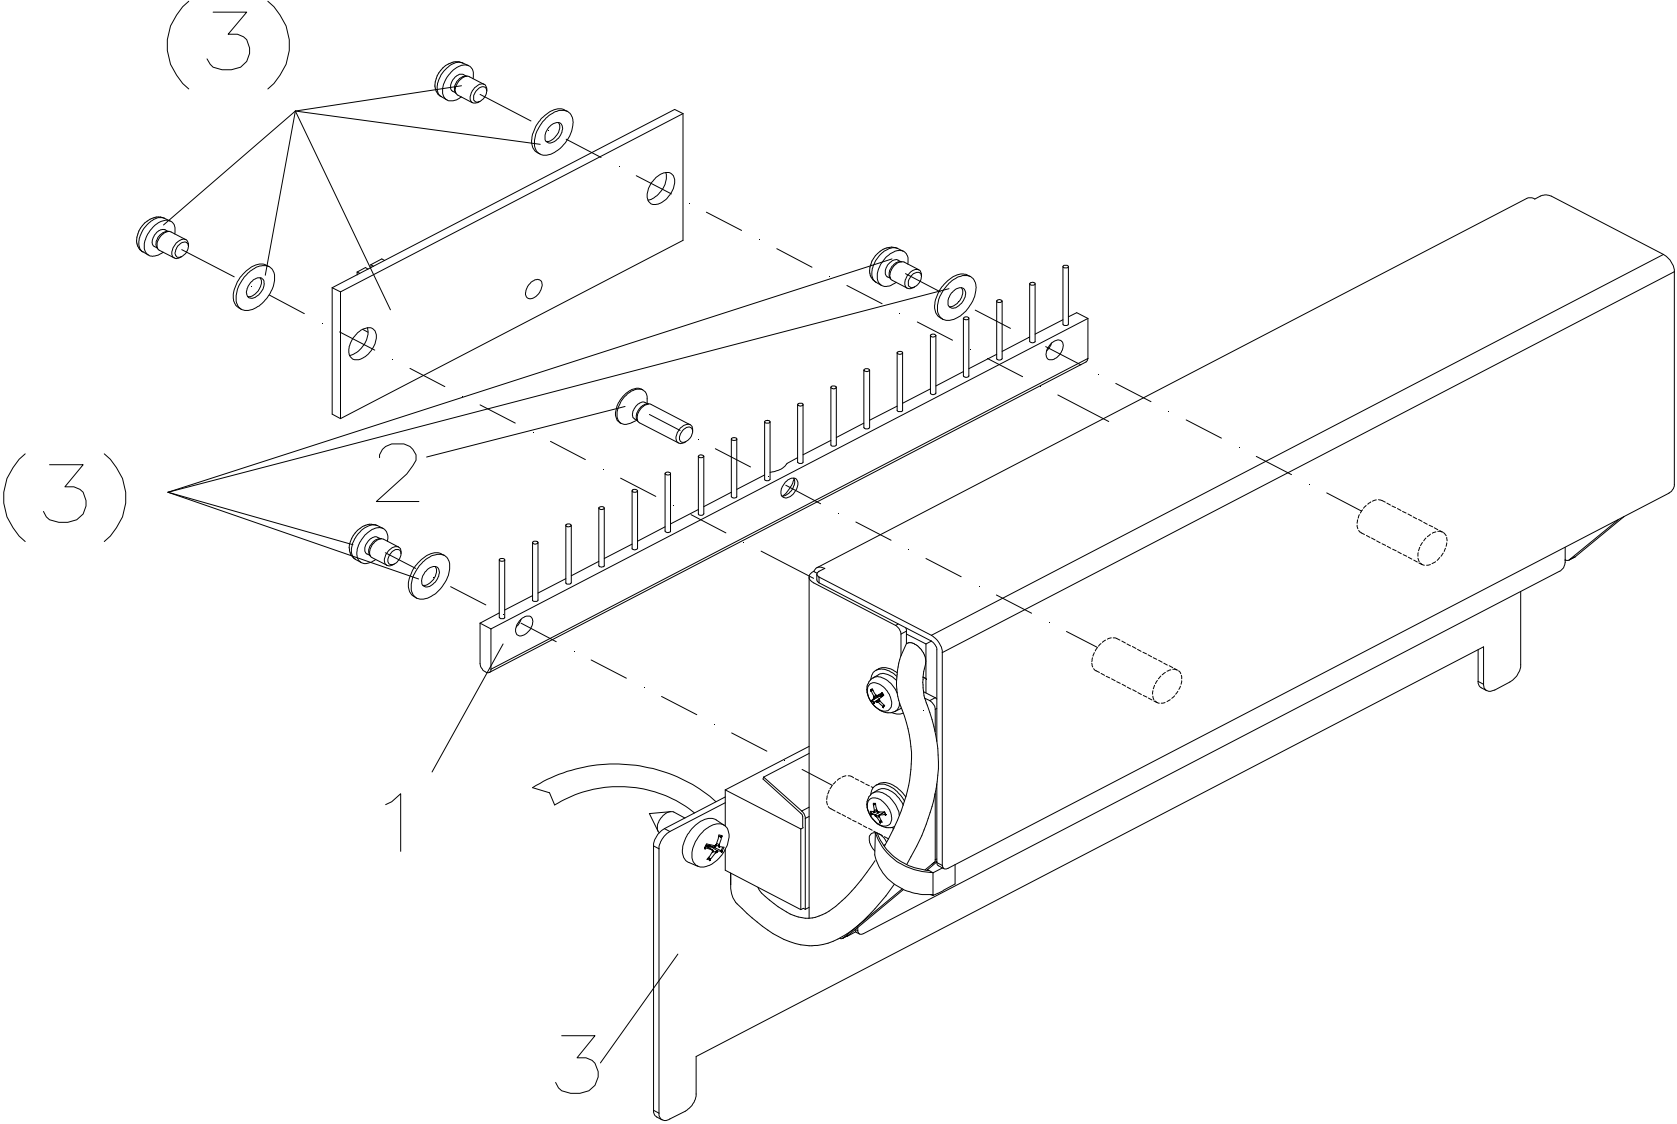

### CUTTER UNIT

### CORTADOR

| Item Pos. | Description                       | Descripción                     | Ident-No. N°ident. | Qty Cdad. |
|-----------|-----------------------------------|---------------------------------|--------------------|-----------|
| 1         | Connecting cable cutter plate/CPU | Cable conex. placa cúter/CPU    | 28.18.001          | 1         |
| 2         | Cable joint 98x2.5 mm             | Juntura del cable 98x2,5 mm     | 35.01.002          | 1         |
| 3         | Adhesive tape                     | Cinta adhesiva                  | 37.57.400          | 0,01m     |
| 4         | Guiding                           | Guía                            | 45.18.600          | 1         |
| 5         | Screw 3x8 mm                      | Tornillo 3x8 mm                 | 48.12.308          | 2         |
| 6         | Screw M3x4                        | Tornillo M3x4                   | 48.14.304          | 6         |
| 7         | Screw M3x10                       | Tornillo M3x10                  | 48.14.310          | 3         |
| 8         | Screw M2.5x6                      | Tornillo M2,5x6                 | 48.15.206          | 2         |
| 9         | Washer 3.2                        | Arandela 3,2                    | 50.01.057          | 9         |
| 10        | Mounting plate                    | Placa de sujección              | 67.18.600          | 1         |
| 11        | Guide plate                       | Placa de guía                   | 67.18.605          | 1         |
| 12        | Cover                             | Cubierta                        | 67.18.610          | 1         |
| 13        | Front sheet                       | Placa frontal                   | 67.18.615          | 1         |
| 14        | PCB cutter cpl                    | Circuito impreso cúter completo | 70.18.010          | 1         |
| 15        | Cutter unit cpl                   | Cortador cpl                    | 71.18.865          | 1         |
